

YOUTH AMBASSADOR APPLICATION – 2018 SEASON

As a Youth Ambassador and representative of Youth Town Hall, you will hold a leadership role among the 150 students in attendance. You will welcome program attendees, share speaker and event information, and engage in conversation with students through discussion, debate and action.

Youth Ambassadors are expected to commit to all four events from 4:00 pm – 7:30 pm as well as one training session in January.

Fifteen Coachella Valley students are chosen each year to be Youth Ambassadors for Youth Town Hall. These student leaders attend each of the four events where they personally meet the evening's featured speakers and encourage students from different area schools to meet, mingle and share their experience. We invite participation of the desert's most deserving students to take advantage of this unique leadership opportunity.
